

AFTER CLOSING CHECKLIST

You finally got the keys. Now what? 🗝️

Do these things after closing:

1. Check for homeowner tax exemptions or benefits you may qualify for
2. Set up utilities and update your address
3. Review your homeowners insurance
4. Change or rekey your exterior door locks
5. Save your closing and inspection documents
6. Test smoke and carbon monoxide detectors
7. Replace or check your HVAC filters
8. Locate your main water, gas, and electrical shutoffs

A few more smart steps:

- ☐ Confirm your first mortgage payment date
- ☐ Keep important home documents in one safe place
- ☐ Create a basic home maintenance schedule
- ☐ Keep receipts for major repairs and improvements
- ☐ Start or replenish your emergency home fund

Quick reminder: Your work isn't over when you get the keys. A few simple steps after closing can help protect your home, finances, and peace of mind.

Disclaimer: This checklist is for general educational purposes only. Tax benefits, insurance requirements, property responsibilities, and homeowner obligations vary by property and individual situation. Consult the appropriate licensed or tax professional for guidance specific to you.
